

Amadeus Discover for Hotels

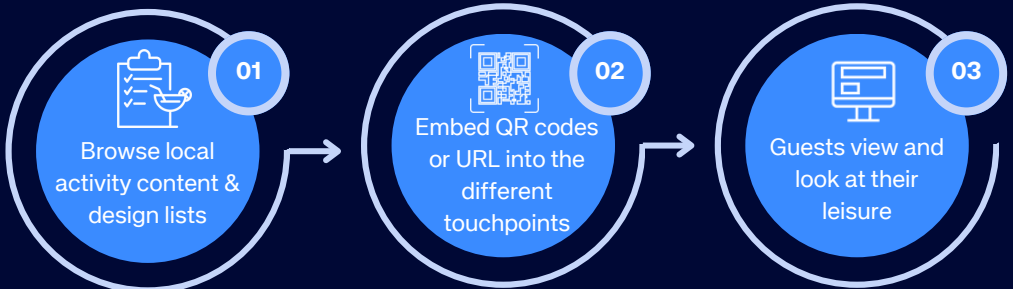

Introducing Amadeus Discover, an easy-to-use solution of consolidated destination activities & experiences that can be shared via on and offline touchpoints with your guests, throughout the multiple stages of the traveler journey.

[Request a demo](#)

How does it work ?

Create personalized lists of recommended experiences and activities, and share these with guests via: your website, email/SMS, in house digital displays, & printed collateral

Why Amadeus Discover?

Digitalize your local suppliers' content and make it available to book online

Easily book experiences on behalf of your travelers or let them book directly on your B2C channels

Choose the integration options that best fits your business needs

Earn commission when booking activities through Amadeus Discover

Increase customer satisfaction and engagement

Our content

 500.000+
Experiences
